

Split billing set-up for employees (with account)

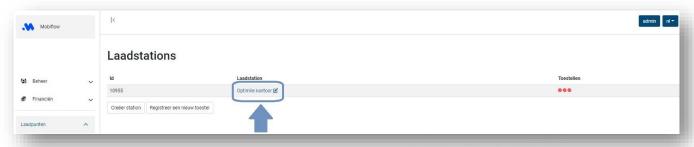

1. You will receive an e-mail from Mobiflow at your personal e-mail address. This invitation was sent by your employer.

2. Go to the Mobiflow platform and log in with your private email address on your already existing account. Go to 'Charging points' and click 'Stations'.

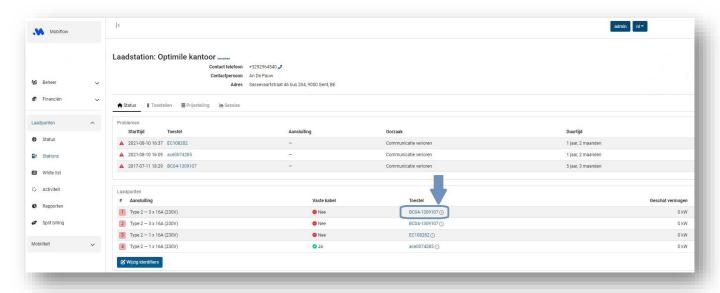

Select your charging station or create one and register your device.

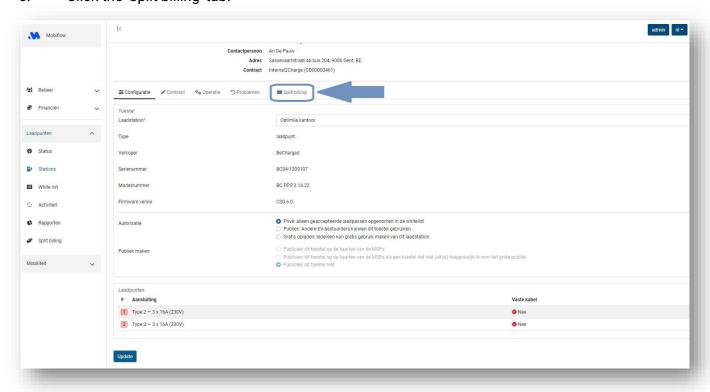

4. Select the device to which split billing applies.

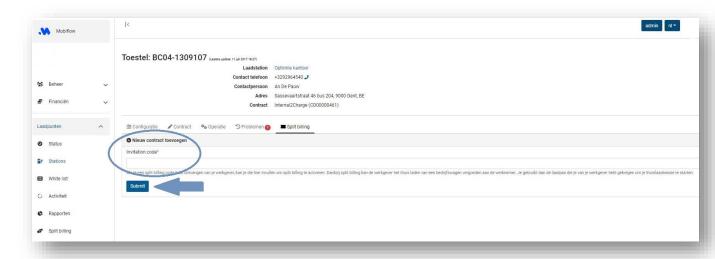

5. Click the 'Split billing' tab.

6. Enter the split billing code found in the e-mail. Click 'Submit' and the split billing is ready to use. You can start charging immediately.

Congratulations! Let the home charging sessions begin! If you have any questions, we will be happy to help: info@mobiflow.be of 09/296.45.45
